Product Description

Our recognized Titan Platinum partner supplies honey in the national and international market (e.g. Belgium) for several years and has various customer references. He makes his product available under his own label or for further processing under other customer labels. He meets the highest quality standards. See above certifications.

The delivery quality is exceptional, the delivery times short and all this at top conditions and on request from stock or as free delivery to your preferred delivery location. High delivery quantities are no problem. We deliver in the containers you require. I.e. containers for further processing or in end customer containers (e.g. glass or plastic bottles, labeled or unlabeled).

You order, we deliver and handle everything for you. Fully supply chain transparent.
