## TITAN ADVISORY

Optimize cost. Secure supply. Enable AI. Drive growth.  
Manage initiatives, commercial performance, and risk.

We believe value is won - or lost - across procurement, commercial performance, and how well initiatives are executed. As a focused boutique, we bring senior expertise, not junior leverage. We work hands-on across sourcing, sales, and cross-functional transformation - cutting through complexity and delivering measurable results fast. We don't just design strategies. We make them happen. From cost optimization and supply security to commercial performance and AI-enabled initiatives, we ensure execution delivers real impact. No slideware. No buzzwords. Just smarter decisions, stronger performance, and results that stick.

### Sourcing

Drive superior value through structured sourcing, deep market intelligence, and best-in-class negotiation expertise.

### Outsourcing & Shoring

Design and implement optimal sourcing footprints - balancing cost, resilience, and strategic flexibility across global locations.

### Interim - & Project Management

Deliver immediate impact with experienced procurement leaders - ensuring execution excellence in critical transformation and project phases.

### Digitalization & Artificial Intelligence

Leverage advanced technologies and AI to elevate procurement performance, unlock insights, and automate decision-making.

### Third Party Risk Management & DORA

Strengthen resilience and compliance with robust third-party risk frameworks - fully aligned with regulatory standards such as DORA.

### Strategy, Governance, Skills and Transformation

Leverage advanced technologies and AI to elevate procurement performance, unlock insights, and automate decision-making.

### Commercial Management & Sales Advisory

From strategy to execution: We empower sales organizations to outperform - enhancing pricing, performance, and customer value at scale.
